

e-STUDIO2303AM

e-STUDIO2803AM

Product brochure

- > Two modern A3 systems which cover the basic needs of modern businesses.
- > Based on sophisticated technology the e-STUDIO2303AM/2803AM are feature rich and intuitive to use.
- > Designed to meet the highest environmental standards, both models help save valuable resources.

KEY FEATURES

- 1 Compact A3 systems with print, colour scan and copy function to cover the most common requirements.
- 2 Easy to integrate and operate for utmost efficiency.
- 3 Excellent image quality for documents which impress.
- 4 Energy save modes for optimised usage and intelligent resource management.

Reliable top-performance for enhanced productivity.

BENEFITS

With an output speed of 23 and 28 pages per minute the e-STUDIO2303AM/2803AM can easily keep up with the needs of today's businesses. Their outstanding image quality will give your documents a professional look and leave a lasting impression with your business partners.

Uncompromised ease-of-use

For you to benefit from the sophisticated technology the systems are based on, we have ensured they are easy and intuitive to use.

- > Easy integration into existing networks
 - With the optional e-BRIDGE Fleet Management System not only the set-up of the models is easy, even the administration is intuitive and will save valuable time.
- > Intuitive usage of all functions
 - Whether you want to print, scan or copy, via the user interface all features are just a click away.
